MEDIA QUESTIONS

Merchants of Light: The Consciousness That Is Changing the World

Betty J. Kovacs, Ph.D.

How is the loss of heart consciousness destroying the world?

What is the dominant negative story we have been told about ourselves in Western culture?

What is the positive story that we have been told about ourselves in Western culture?

What is the message of the mystics that is returning today?

What is the worldview of the West that developed out of the scientist working alone, and is that changing?

What are the new discoveries about the relationship of the brain/mind/heart?

What is the definition of Cosmic/Christ Consciousness? What is the Blueprint for our Evolution?

What have been your experiences that led you to write this book?

How do you share your messages both in writing, speaking and teaching?

What is a sacred text? And what is symbolic language?

What was the purpose of the Great Mysteries of the ancient world?

How was our ancestors' view of civilization different from ours today?

What do the cave cultures of Europe and the San people of Africa tell us about ourselves?

What were some of the major techniques used by our ancestors to achieve altered states of consciousness?

How did the Church of Rome and the power of the State react to those Christians who sought Direct Experience / Altered States of Consciousness / Gnosis, *i.e.*, their own inner experience of reality?

Did any of the groups that sought direct inner experience survive, and did they have any significant influence on Western culture?

Where are your books available?

What one thing would you most like the audience to take away with them today?
